*Luxurious Value* in Residential Elevators

*New & Improved  
 Cab Designs*

The convenience and increased mobility that a residential elevator delivers can truly enhance your home and its resale value. Once you've decided to add this luxury to your home, Savaria Concord Lifts Inc. offers many options to choose from. We understand you demand high quality and excellent value for your investment. When you choose the Infinity® by Savaria Concord you get the best of both worlds. The Infinity is luxurious value, built reliably – *just for you.*

**The Infinity – A Luxury Standard**

Every Infinity elevator is designed and built to meet or exceed the strictest elevator, electrical, mechanical and building safety guidelines. Whether you are renovating, or building new, your dealer can easily incorporate the Infinity into your home.

The Infinity features many of the same construction materials as commercial elevators to ensure long-lasting reliability. The electronic systems are optimized for ease of installation, while the remote power unit provides a safety feature allowing full access for maintenance and the emergency systems. The high efficiency hydraulic drive system is dependable and provides an exceptionally smooth ride, while the submersible pump and motor are whisper quiet. With the industry-leading capacity of up to 1,000 lbs, your elevator provides maximum functionality. All in all, the Infinity standards reflect many features that are more costly options in its competitors.

**Customizing Your Solution**

No doubt, you've created your perfect home environment through thoughtful choices balanced with functionality and lifestyle. Rest assured that with Infinity, you can customize your elevator from construction configuration, to your preferred fixtures, giving you the perfect solution suited to your construction needs and design tastes.

*Choose from a range of cab styles and sizes for traditional to modern homes and anything in between. Select your fixtures to complement and complete your solution. The information on the back may assist you in selecting the best options for your needs.*
